

SHORT FILM FACTORY (by STTP) te provoacă la film, în cadrul unui eveniment lunar care aduce filme de autor, cu **intrare liberă**, în 30 de locații alternative de proiecție din România – Martie 2018.

Terasele, cafenelele și barurile sunt locurile în care ne-am învățat deja să consumăm sport în condiții decente de proiecție, după ani întregi în care pe ecranele din aceste locații au găzduit doar reclame și, uneori, canale TV de muzică, în lipsă de inițative mai creative. SHORT FILM FACTORY (by STTP) provoacă românii la un nou tip de divertisment și, astfel, încearcă să conducă publicul cinematografic român către următorul nivel de culturalizare și integrare în social. De ce? Pentru că da, viața bate filmul și putem face asta.

Proiecțiile de scurtmetraj sunt organizate de Short to the Point (International Short Film Festival) – o rețea internațională de distribuție, difuzare și promovare a filmelor de scurtmetraj. În ultimii ani SHORT FILM FACTORY (by STTP) a reușit să creeze o punte de legătură între filmmakeri, cinefili și spectatorii ocazionali, având ca scop construirea unui nou tip de comunitate urbană.

Lansat în anul 2009 sub forma unei caravane cinematografice în 28 de orase din Romania, STTP a devenit un festival lunar la care se inscriu filme din toate colturile lumii. Festivalul Short to the Point ofera lunar 13 categorii de premii celor mai bune scurt metraje inscise, urmand ca acestea sa fie proiectate in cadrul evenimentului national Short Film Factory by Short to the Point.
