

Dupa ce s-a anuntat cu surle si trambite concertul AC / DC din cadrul festivalului Bucharest Rock Arena din perioada 30-31 mai 2009, pe toate canalele media, Cristian Busuioc, manager One Event, unul dintre organizatori ai acestui festival, vine sa faca lumina si declara: "Pe 31 mai AC/DC nu canta in Romania. Este suta la suta. Avem contraconfirmare si de la agentul trupei cu care am vorbit in urma cu doua ore. Nu stim exact daca a existat vreodata un contract, cum arata acel contract, cu cine s-a semnat si asa mai departe. Noi am avut implicarea la acest eveniment, era strict pentru artistii romani. O sa analizam dupa aceea, maine, situatia si, daca vom considera s-ar putea sa fie un proces de imagine intre noi si Play Cool".

Iata ce spune site-ul oficial AC / DC:

"AC/DC Date In Bucharest Falsely Advertised Promoters in Bucharest, Romania have been falsely advertising AC/DC as the headliner for their 2 day Bucharest Rock Arena festival happening on May 30 and 31, 2009.

Tickets for this event have been available online as well as various retail outlets in Bucharest. AC/DC's Black IceWorld Tour is sweeping through Europe where the band are headlining the O2 Arena in London tonight as well as April 16, 2009.
