There is nothing in my heart, that is how I love you      There is nothing in my heart,  
that is how I hate you      There  
is nothing in my hand, that is what I owe you

There is nothing in my mind, that is what I think of you

This is a song for hate and devotion

For all of you, who mean nothing to me

There is nothing in my heart, that is how I love you

There is nothing in my heart, that is how I hate you

There is nothing in my hand, that is what I give you

There is nothing in my mouth, that is what I speak of you

This is a song for hate and devotion

For all of you, who mean nothing to me

There is nothing in my heart, that is how I love you

There is nothing in my heart, that is how I hate you

There is nothing in my eyes, that is how I see you

There is nothing in my soul, that is what I feel for you

This is a song for hate and devotion

For all of you, who mean nothing to me
