

SHORT FILM FACTORY te invită la film. 10 scurtmetraje premiate anterior în cadrul festivalului Short to the Point (STTP) vor rula în 30 de spații alternative din tot atâtea orașe din țară, în ultima săptămână din luna iulie. 120 de minute de film, povești spectaculoase venite din toate colțurile lumii, continuă o tradiție de peste 8 ani de proiecții speciale, oferind publicului șansa unică de a urmări filme scurte multi-premiat, cu intrare liberă, chiar la el în oraș.

Din cele 18 filme premiate în ianuarie 2017 în cadrul festivalului, au fost selectate pentru proiecție 10 cele mai bune producții. Printre ele se regăsește scurt metrajul românesc *O noapte în Tokoriki*, care a fost premiat la festivalul de film de la Berlin în anul 2016, la secțiunea Generation 14Plus International Jury Special Prize.

Luna Iulie a anului 2017 marchează un număr record de locații în care se va desfășura evenimentul SHORT FILM FACTORY. Cele 30 de orașe care vor găzdui proiecții sunt: Alba Iulia, Alexandria, Arad, Bacău, Baia Mare, Botoșani, București, Buzău, Câmpulung Moldovenesc, Câmpulung Muscel, Cluj-Napoca, Craiova, Deva, Drobeta-Turnu Severin, Hunedoara, Iași, Odorheiu Secuiesc, Oradea, Râmnicu Vâlcea, Piatra Neamț, Sibiu, Sighetu Marmatei, Suceava, Târgoviste, Târgu Jiu, Târgu Mureș, Timișoara, Tulcea, Vama Veche.

SHORT FILM FACTORY este un eveniment lunar dedicat cinofililor și celor care savurează ocazional cinema-ul. Proiecțiile de scurtmetraj sunt organizate de Short to the Point (International Short Film Festival) - o rețea internațională de distribuție, difuzare și promovare a filmelor de scurtmetraj. În ultimii ani SHORT FILM FACTORY a reușit să creeze o punte de legătură între filmakeri, cinefili și spectatorii ocazionali.

Lansat în anul 2009 sub forma unei caravane cinematografice în 28 de orașe din România, STTP a devenit un festival lunar la care se înscriu filme din toate colțurile lumii. Festivalul Short to the Point oferea lunar 13 categorii de premii celor mai bune scurt metraje înscrise, urmând ca acestea să fie proiectate în cadrul evenimentului national Short Film Factory by Short to the

Point.

EXODUS

SPECIAL JURY AWARD @ STTP JANUARY 2017 AWARDS

Director: Acci Baba

Country: Germany

Duration: 02:25

Sinopsis: An experimental film to explore behaviors of an artificial system reaching the point of saturation. Central to the work is the aesthetic combination of geometry and life, expressed by collinear structure and living ants. The sugar water falls from the sky, artificially creating ecosystem for ants to survive. Ants walk along the infinite path, leaving pheromones for the

others to follow. Soon one of the ant chose to escape from the saturated system, realizing they have been walking on a infinite path. The others followed and continued walking in to the void as they form an another circular loop. Through the perspective of micro organism, the artwork finds the relation between the viewers to reflect the formula emerging from the hyper reality.
