

SHORT FILM FACTORY te provoacă la film, în cadrul unui eveniment lunar care aduce filme de autor, cu intrare liberă, în 30 de locații alternative de proiecție din România – Septembrie 2017.

Terasele, cafenelele și barurile sunt locurile în care ne-am învățat deja să consumăm sport în condiții decente de proiecție, după ani întregi în care pe ecranele din aceste locații au găzduit doar reclame și, uneori, canale TV de muzică, în lipsă de inițative mai creative. SHORT FILM FACTORY provoacă românii la un nou tip de divertisment și, astfel, încearcă să conducă publicul cinematografic român către următorul nivel de culturalizare și integrare în social. De ce? Pentru că da, viața bate filmul și putem face asta.

Proiecțiile de scurtmetraj sunt organizate de Short to the Point (International Short Film Festival) – o rețea internațională de distribuție, difuzare și promovare a filmelor de scurtmetraj. În ultimii ani SHORT FILM FACTORY a reușit să creeze o punte de legătură între filmakeri, cinefili și spectatorii ocazionali, având ca scop construirea unui nou tip de comunitate urbană.

Lansat în anul 2009 sub forma unei caravane cinematografice în 28 de orașe din România, STTP a devenit un festival lunar la care se înscriu filme din toate colțurile lumii. Festivalul Short to the Point ofera lunar 13 categorii de premii celor mai bune scurtmetraje înscrise, urmând ca acestea să fie proiectate în cadrul evenimentului național Short Film Factory by Short to the

One day the official orders decreed that Jews have to deliver all dogs. Mikasch refuses to obey this command. His parents help him to find a solution to save Chika. Mikasch's father hides the dog outside the ghetto at a non-jewish friends house.

Then one day a soldier knocks on the door of the families apartment and delivers a command. The family has to gather with all other Jewish families to be deported. Father, mother and child do not obey, instead they hide in the cellar. Mikasch realizes how important it was to take Chika outside the ghetto. In the small hiding place Chika would have started to bark and that would have revealed the hideout of his family.

With the belief to see Chika again one day, Mikasch overcomes the difficult times in the hideout without serious damage. At the (happy)-end Mikasch and Chika actually find each other once again. There is peace.
